# WELCOME

---

Welcome and thank you for supporting our fundraising dinner in honour of International CJD Awareness Day.

We are delighted to introduce Geoff Cowan as our MC. Geoff comes to us from *TVSN*, Australia's 24-hour television home shopping network. Geoff has generously donated his time to support our cause.

A very special mention must also go to our guest speaker, Jennifer Cooke, journalist and author of '*Cannibals Cows and the CJD Catastrophe*'.

Jennifer has been a tremendous spokesperson and advocate for the CJD Support Group Network for many years and we are extremely grateful for her ongoing support.

All money raised tonight will go to the National CJD Registry based at the University of Melbourne. The Registry conducts extremely crucial research into CJD.

We would like to take this opportunity to thank you for your kindness and generosity in supporting the CJD Support Group Network.
